★ Cape Fear Museum has a new planetarium!

We've gone digital! The Museum planetarium programs now utilize advanced digital-dome technology to excite and engage students. Our new digital projection system is significantly more powerful and has greater capabilities, offering exciting visual experiences and in-depth exploration. The new planetarium is also easier to access (ADA accessible).

⚙️ A simple machines exhibit, *Make It Work*

November 14, 2014 - September 13, 2015

Make It Work, a hands-on, inquiry-based, and maritime-related exhibit, encourages students to explore the six types of simple machines and how they make work easier. The exhibit complements the Simple Machines field trip program and showcases rarely seen Museum artifacts.
